

CHARM FARM™ for Families!
Children's Etiquette Program: "Sunday Dinner with Steffie"
*Enthusiastically presented by Stephanie Horton, Top Dog Etiquette
and the Inn at Gig Harbor*

Are you confident in your family's dining etiquette skills?

Today's busy schedules make dining at the table a challenge for most families. Unfortunately, that is the best time to teach all-important dining and common courtesy skills to our children. Why not take a time out and join Stephanie Horton for a fun evening of dining with your family, and brush up on table manners at the same time? Give your children the gift of common courtesy and manners, and watch how their self confidence grows – at restaurants, at school, and at sporting events and church – everywhere they present themselves to others. And, you can rest easy when the time comes to send them out on their own. Set the stage for future "Sunday Dinners" at your house by joining us at the Inn at Gig Harbor on November 9, 2008. From how to hold a knife and fork to appropriate humor at the table, give your children a step-up when it comes to presenting themselves at the table. Includes:

Common Courtesy rules!
It's so easy to be nice
Handshaking and introductions

Your personal self – dress, grooming and self-confidence
At the table – dining skills

Using a knife and fork
How to eat certain foods
Thank-you's and more!
